Thank You

We are excited to announce **THREE** big changes that will make your interactions with Hearing Healthcare Centers even better, as we strive to grow in providing you the best in patient care.

Soon you will be seeing more and more about **Northwest Hearing + Tinnitus**.

Have no fear! **Hearing Healthcare Centers is now Northwest Hearing + Tinnitus!**

NORTHWEST  
HEARING + TINNITUS

**Dr. Melanie Hecker** recently purchased Mr. Putaansuu's clinics and has loved getting to know the existing staff and patients; exploring the needs of this community and how to provide optimal Audiologic care. **Tom Putaansuu** has decided to pursue his interests in educational audiology.

**Dr. Hecker is a Doctor of Audiology and owns Northwest Hearing + Tinnitus in Seattle, WA.** She has a proven track record of blending personalized patient care, premier technology and boutique medical care. Outside of these operations, Dr. Hecker is a well known public speaker. She enjoys traveling, cooking, and spending time with her son, Pierce, who loves soccer and playing guitar.

**Dr. Hecker** is honored and excited to continue the legacy of **Hearing Healthcare Centers** – taking the best care of the patients, staff and community. Please feel free to reach out to her with any thoughts on how to improve the patient experience directly at

**Dr. Hecker looks forward to bringing more of what YOU want to your Hearing Healthcare.**

## ABOUT

NORTHWEST  
HEARING + TINNITUS

**Northwest Hearing + Tinnitus** started as a single location, independently owned and operated, in Seattle. Since opening our doors in **1988**, our practice has evolved into becoming Seattle's **educational** and **healthcare** resource for **hearing** and **tinnitus treatment**. Our branding, mission, and culture have since evolved and expanded with the addition of new services and locations in Olympia, WA.

Our **brand** represents trusted providers who are equally informed and passionate in diagnosing and treating hearing loss and tinnitus. Our team of clinical and administrative professionals share a mission to **educate** and **empower** patients to get them back to their **Life -- Reconnected**. Our Doctors of Audiology accomplish this in accordance with the patient's needs and wants - not a one size fits all approach.

**We Specialize In:**

- Hearing evaluations | Consultations | Prescribed hearing aid fittings (ages 3+)
- Tinnitus evaluations | Consultations | Tinnitus treatment
- Ototoxicity monitoring (for chemotherapy patients)

We would like to introduce you to your newest **Hearing Healthcare provider – Doctor Madison Cole, AuD.** She will be providing patient care at our **East Olympia location.**

Dr. Madison Cole received her **Doctorate of Audiology** from Pacific University, in Hillsboro, Oregon after completing her Audiology Residency at Evergreen Speech and Hearing Clinic in Redmond, Washington.

She enjoys working with a collaborative team that **delivers the most precise and quality patient care** with the continued patient care coordination and audiology assistance of **Andrea Ramirez.**

**Dr. Cole** is from the **Arlington, Washington** area and is excited to provide care to her new community in **Olympia.** Outside of clinical practice, Dr. Cole enjoys traveling, baking, craft beer, reading, and spending time with as many dogs as possible.

**Dr. Rebecca Mooney** and **Emily Tourtelotte** will still be providing your care at the **West Olympia location.**

We are excited to continue to support these two amazing professionals, as they work to provide you with **exceptional care.**
